

ORDER FORM: CLAY PIPE RESEARCH, VOLUME 3

We are pleased to announce that after many years Volume 3 of our monograph series is now ready for publication. It is fitting that the re-launch of *Clay Pipe Research*, in 2014, coincides with the 30th anniversary of the publication of the first SCPR newsletter. This new look A4 journal, of over 160 pages, has a full colour cover with contents in greyscale and black and white line art. Papers in this volume are as follows:

- ❖ The Clay Tobacco Pipe Industry in the Parishes of St. Margaret and St. John the Evangelist, Westminster *by Kieron Heard*
- ❖ Clay Pipes from Akrotiri: A Socio-economic Contribution to the Ottoman Material Record on Cyprus *by Justin Leidwanger*
- ❖ Tobacco Pipes from Dockyard Creek, Birgu, Malta *by John Wood*
- ❖ The Armstrong Family of Clay Tobacco Pipemakers: A Short Illustrated History *by Phil Armstrong*
- ❖ Clay Tobacco Pipes from Excavations in Southampton's French Quarter *by David A Higgins*

The aim of this journal is to allow for the publication of longer, more detailed papers. We already have enough material to produce Volume 4, hopefully in 2015, but would welcome more material from members.

Please complete using **BLOCK CAPITALS** and return this portion of the form to: Peter Hammond, 17 Lady Bay Road, West Bridgford, Nottingham, NG2 5BJ, UK, and make your **sterling** cheque or postal order payable to *The Society for Clay Pipe Research*.

Alternatively, please note that the Society cannot accept credit card payments, but PayPal payments are possible – please contact me for further details (claypipepeter@aol.com). [Please tick the appropriate box]
